Some people choose a different career, in a way they reinvent themselves when they retire: For example, my wife and I, at ages 55 & 61 years old decided to begin a new career as playwrights, and are launching our first musical on Feb 1, 2018 (panamathemusical.com)

Others choose different career paths. Some of which are a little dangerous.

A 70-YEAR-OLD woman was arrested during a police raid in Parque Lefevre that uncovered three stacks of counterfeit \$100 bills, bags of cocaine and a 9 mm Smith & Wesson pistol. The fake money totaled \$22,820.

The morning raid was carried out by units of the National Police in conjunction with the Drug Prosecutor's Office following a tip-off that there were drug and money movements in the house on Calle Quinta

This residence is in the name of a 70-year-old woman, with initials M.L. reports El Siglo. She was alone when the police arrived and was arrested,

Recently a 69-year old Panamanian woman from San Miguelito was jailed for five years after being found guilty of drug dealing.
